11. OPEN SESSION ACTION on Any Executive Session Item listed above, if needed.

12. ADJOURNMENT

I certify that this is a true and correct copy of the City of Brady City Council Meeting Agenda and that this notice as posted on the designated bulletin board at Brady City Hall, 201 E. Main St., Brady, Texas 76825; a place convenient and readily accessible to the public at all times, and said notice was posted on _____ by 6:00 p.m. and will remain posted continuously for 72 hours prior to the scheduled meeting pursuant to Chapter 551 of the Texas Government Code.

Tina Keys, City Secretary

In compliance with the American with Disabilities Act, the City of Brady will provide for reasonable accommodations for persons attending public meetings at City Facilities. Requests for accommodations or interpretive services must be received at least 48 hours prior to the meeting. Please contact the City Secretary at 325-597-2152 or citysec@bradytx.us.

Attendance by Other Elected or Appointed Officials: It is anticipated that members of other governmental bodies, and/or city boards, commissions and/or committees may attend the meeting in numbers that may constitute a quorum of the body, board, commission and/or committee. Notice is hereby given that the meeting, to the extent required by law, is also noticed as a possible meeting of the other body, board, commission and/or committee, whose members may be in attendance, if such numbers constitute a quorum. The

members of the boards, commissions and/or committees may be permitted to participate in discussion on the same items listed on the agenda, which occur at the meeting, but no action will be taken by such in attendance unless item and action is specifically provided for on an agenda for that body, board, commission or committee subject to the Texas Open Meetings Act.

The City Council of the City of Brady reserves the right to adjourn into Executive Session at any time during the course of this meeting to discuss any of the matters listed on this agenda as authorized by the Texas Government Code Sections 551.071 (Consultation with Attorney), 551.072 (Deliberations about Real Property), 551.073 (Deliberations about Gifts and Donations), 551.074 (Personnel Matters), 551.076 (Deliberations about Security Devices), 551.086 (Deliberations, vote or final action about competitive matters of the public power utility), and 551.087 (Economic Development).

This agenda has been reviewed and approved by the City's legal counsel and the presence of any subject in any Executive Session portion of the agenda constitutes written interpretation of the Texas Government Code Chapter 551 by legal counsel for the governmental body and constitutes an opinion by the attorney that the items discussed therein may be legally discussed in the closed portion of the meeting considering available opinions of a court of record and opinions of the Texas Attorney General known to the attorney. This provision has been added to this agenda with the intent to meet all elements necessary to satisfy Texas Government Code Chapter 551.114(c) and the meeting is conducted by all participants in reliance on this opinion.

COUNTY OF McCULLOCH

CITY OF BRADY

The City Council of the City of Brady, Texas met in a Work Session Meeting on Tuesday, December 19, 2017 at 4:00 pm at the City of Brady Municipal Court Building located at 207 S. Elm Street, Brady, Texas with Mayor Anthony Groves presiding. Council Members present were Jim Griffin, Shelly Perkins, Jeffrey Sutton, Rey Garza and Jane Huffman. City staff present were City Manager Kim Lenoir, Community Services Director Peter Lamont, Police Chief Steve Thomas, ACO Chantal Solis, and City Secretary Tina Keys. Also in attendance were Brian Crabb and Jason Skinner.

1. CALL TO ORDER, ROLL CALL & CERTIFICATION OF A QUORUM

Mayor Groves called the meeting to order at 4:02 p.m. Council quorum was certified. Council Member Perkins arrived after a quorum was certified.

2. Review and discuss proposed animal control ordinance changes as directed by City Council on October 3 to address Article 2.400 Keeping Livestock and Exotic Animals, in a separate ordinance.

Council Member Sutton asked if he has an acre, can he keep a horse on that lot. Council Member Huffman suggested grandfathering existing horses and have them permitted and not replaced and went on to say the permit process could include photo of horse to make sure it is not replaced. Huffman suggested chickens not be allowed outside fence. City Manager Lenoir clarified as of now, properties with less than an acre with horses should be grandfathered but moving forward new rules would go into effect. Guidelines would need to be written to prevent abuse or neglect. Council Member Perkins said we need to clarify 2.402 a-3...."the premises are a public nuisance" – as determined by who – needs to be clarified. Lenoir suggested leaving as "public nuisance" but then add as part of definition that "public nuisance" violation may have a citation issued. Item B – Move to the end – "exceptions". Will be deleted. Grandfather existing. Add not allowed on less than an acre. Sec 2.404 will be delete 2.404 and keep 2.404.1 – swine, 2.404.2 – restricting goats or sheep, must have an acre. Keep as is but remove last sentence.

2.404 – nothing changes except remove last sentence

2.405 To 2.409 – no changes

2.411 – Change to Exceptions and Restriction to Permit Requirements – add Vet Clinics, 4-H/ FFA, etc.

Will need to adopt additional definitions and revised Article 2.400 at next Council Meeting.

3. Review and discuss proposed sign ordinance was not discussed due to time constraints.
4. Discuss Axis Management Contract for Brady Lake. Peter Lamont presented. Jason Skinner discussed recent events. Contract will be signed. No other action will be taken.

5. Discuss and plan future work session dates and topics

There was no discussion

6. Announcements

CITY OF BRADY, TEXAS
AGENDA ACTION FORM for ORDINANCE**

AGENDA DATE:	1/2/18	AGENDA ITEM	7.A.
AGENDA SUBJECT:	Discussion, consideration, and possible action regarding first reading of Ordinance 1243 in accordance of the City of Brady; to add to and revise portions of Chapter 2 Animal Control, Section 2.101 Definitions, and Article 2.400 Keeping Livestock and Exotic Animals.		
PREPARED BY:	K Lenoir	Date Submitted:	12/29/2017
EXHIBITS:	Ordinance Exhibit A – Definitions and 2.400		
BUDGETARY IMPACT:	Required Expenditure:		\$00.00
	Amount Budgeted:		\$00.00
	Appropriation Required:		\$00.00
CITY MANAGER APPROVAL:			

SUMMARY:

On August 27, Council Member Garza requested a change in the Animal Control Ordinance to restrict livestock (goats, sheep, horses) from the city limits. He had received numerous complaints from citizens about odors, flies and maintenance of the grounds. The City Council discussed concerns with the Animal Control Officer and directed staff to bring a revised ordinance for City Council to consider. Staff and Council Members reviewed and discussed draft changes at a Work Session on September 19. Changes include restricting livestock, establishing fence requirement for all animals, allowance for 4-H and FFA animals to be kept in residential areas, and several grammar corrections.

December 19 Work Session, City Council Members continued the review and adding to the definitions and changed rules for keeping livestock in the city. Attached is a redline of the rule changes for the first reading.

RECOMMENDED ACTION:

Mayor: "Do I have a motion to read the full ordinance?"

If no, Mayor will state: "A majority of the City Council has dispensed with the full reading of the ordinance."

Mayor will ask: "Madam City Secretary please read the Ordinance Preamble for the record in accordance with the City Charter." "Secretary reads preamble"

Mayor calls for a motion:

Move to approve the **first reading of Ordinance 1243**

ORDINANCE 1243

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BRADY, TEXAS AMENDING MUNICIPAL CODE OF ORDINANCES ARTICLE 2 ANIMAL CONTROL TO ESTABLISH DEFINITIONS AND CLARIFYING RULES FOR LIVESTOCK AND EXOTICS;

WHEREAS, in review of the Municipal Code of Ordinances, Chapter 2, Animal Control, it has become apparent that the Ordinance should more clearly define issues dealing with all animals within the City limits of the City of Brady; and

WHEREAS, changes to the City of Brady Municipal Code of Ordinances must be done by a new Ordinance; and

WHEREAS, the City Council of the City of Brady has determined that it is in the best interests of the general public and residents of Brady to approve the proposed changes to the City of Brady Animal Control Ordinance, Section 2.101 Definitions and Article 2.400 Keeping Livestock and Exotic Animals.

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BRADY, TEXAS, THAT:

The City Council of the City of Brady, Texas, hereby amends Chapter 2, Animal Control of the Municipal Code of Ordinances, Article 2.400 Keeping Livestock and Exotic Animals and Section 2.101 Definitions; see Exhibit A as attached.

PASSED AND APPROVED ON FIRST READING on this 2nd day of January 2018.

PASSED, APPROVED AND ADOPTED ON SECOND READING on this 16th day of January 2018.

Animal. Any living creature except human beings, and including (without limiting the generality thereof) animals, birds, reptiles and fish, except the word "animal" shall mean only a mammal when referring specifically to the control of rabies.

Animal Control Authority or Animal Control Officer. The city animal control officer, or his or her designee, with authority over the city limits within which the dog, cat or animal is kept.

Animal Control Center or Center. Facility in which the division of animal and rabies control is housed.

Bite. An abrasion, scratch, puncture, tear or piercing of the skin actually or suspected of being caused by the mouth of any animal.

Breeder. Any person licensed by the city to keep, harbor, breed and/or raise in excess of four (4) dogs or four (4) cats, six (6) months of age or older, on any premises used or zoned for residential purposes and less than two acres in area.

Collar. A band, chain, harness or other suitable device worn around the neck of an animal to which a current rabies vaccination tag can be affixed.

Current Vaccination. Vaccinated and satisfying the following:

- (1) The animal must have been at least three (3) months of age at the time of vaccination.
- (2) At least thirty (30) days have elapsed since the initial vaccination.
- (3) Not more than thirty-six months have elapsed since the most recent vaccination.

Dangerous Dog. A dog that:

- (1) Makes an unprovoked attack on a person that causes bodily injury and occurs in a place other than an enclosure in which the dog was being kept and that was reasonably certain to prevent the dog from leaving the enclosure on its own; or

- (2) Commits unprovoked acts in a place other than an enclosure in which the dog was being kept and that was reasonably certain to prevent the dog from leaving the dog enclosure on its own, and those acts cause a person to reasonably believe that the dog will attack and cause bodily injury to that person.

Department. The police department of the city.

Exotic animal. An exotic animal is any animal that is not indigenous to the state of Texas. Exotic animals include the following: feral hog, Russian boar, aoudad sheep, axis deer, elk, elk hybrids, sika deer, fallow deer, red deer, and blackbuck and nilgai antelope.

Exotic fowl. An exotic fowl is any avian species not indigenous to the state of Texas. Exotic fowls include the following: guineas, peacocks, ratites, emu, ostrich, rhea, and cassowary.

Exposed to Rabies. An animal has been exposed to rabies if it has been bitten by any other animal or if it has been in contact with any animal known to be, or suspected of being infected with rabies.

Euthanize. To cause death of an animal by a method which:

- (1) Rapidly produces unconsciousness and death without visible evidence of pain or distress; or
- (2) Utilizes anesthesia produced by an agent that causes painless loss of consciousness, and death following such loss of consciousness.

Including. The term including is not a term of limitation. It means "including but not limited to."

Kennel. A place where animals are bred and boarded that has been approved by the animal control officer.

License. A document issued by the officer or any other employee of the city that shows that the owner is entitled to keep an animal as required by this chapter. The term license includes the term permit.

Livestock. Livestock means cattle, horses, mules, asses, sheep, goats, llamas, alpacas, exotic livestock, and hogs, and miniature versions of same, unless otherwise defined.

Officer. Any animal warden or animal quarantine investigator employed by the city police department.

Owner. Any person who owns, harbors, handles, keeps or causes or permits to be harbored, handled, or kept, or has in his care, an animal or bird on or about his premises.

Person. The word "person" shall extend and be applied to associations, corporations, firms, partnerships and bodies politic and corporate as well as to individuals.

Pet Shelter. A facility that is approved to keep and care for animals by the animal control officer. The facility houses homeless, lost or abandoned animals: primarily a large variety of dogs and cats. The animals are kept at the shelter until they are either reclaimed by an owner, adopted by a new owner, placed with another organization, or if necessary, euthanized.

Public Nuisance. Any act, condition, or thing existing, done, or in being within the city, or within the city's extraterritorial jurisdiction, which endangers the public peace, property, health and safety of the citizens of the City. [Sec. 8.101 of Code of Ordinances] - citation is issued by the Animal Control Officer or other court-related personnel.

Secure Enclosure. A fenced area or structure that is:

- (1) Locked;
- (2) Capable of preventing the entry of the general public, including children;
- (3) Capable of preventing the escape or release of a dog;
- (4) Clearly marked as containing a dangerous dog; and
- (5) In conformance with the requirements for enclosures established by the animal control officer.

Tag. A small identifying mark

Vaccination. Inoculation of an animal with a vaccine that is licensed by the United States Department of Agriculture, and which is administered by a veterinarian for the purpose of immunizing the animal against rabies.

Veterinarian. A doctor of veterinary medicine who holds a valid license to practice his profession.

Wild animal. Any animal that is not tame or domesticated.

ARTICLE 2.400 KEEPING LIVESTOCK AND EXOTIC ANIMALS

Sec. 2.401 Leaving Stock Unhitched

It is unlawful for any person to leave standing any livestock on a public street or alley within the city.

Sec. 2.402 Hitching Stock on Sidewalks

It is unlawful for any person to hitch or tie any livestock to a shade tree, fence or house on or along any sidewalk in the city.

Sec. 2.403 Restrictions on Keeping Horses

- (a) No person shall keep a horse on any premises if:
 - (1) the overall area within which the horse is kept is less than one acre for each horse kept,
 - (2) the premises are unsanitary, or
 - (3) the premises where the horses are kept are a public nuisance as determined by a proceeding in Municipal Court initiated by the issuance of a citation or summons.
- (b) The manure and debris incident to the maintenance and care of horses shall be scraped from the floor and raked from pens or areas with such frequency as to prevent the same from serving as breeding places for insects and from emitting noxious odors. The manure and debris scraped or raked, as provided above, shall immediately be collected and either placed and kept in a waterproof and insect proof container until removed from the premises. The inside walls, ceilings, roosts, and floors of the structure in which the horses are housed shall be treated and kept treated with effective material manufactured and sold for the control of flies, mites, and lice and applied according to the manufacturer's directions. (Ordinance 1194 approved 5-3-16)
- (c) ~~Existing horses on less than one acre for each horse need as of January 1, 2018 are grandfathered if they are licensed with the City by March 1, 2018, to be permitted within 60 days of this ordinance to be grandfathered. No additional horses will be allowed on less than one acre tracts for each horse.~~

~~Sec. 2.404 Keeping Swine, Cows, Goats, and Sheep Prohibited~~

~~No person shall keep within the city any swine, cows, goats, or sheep. These requirements do not apply to any veterinary facility.~~

~~Sec. 2.404.1 Keeping Swine Prohibited~~

~~No person shall keep within the city any swine.~~

Sec. 2.404.2 Restrictions on Keeping Goats and Sheep

No person shall keep goats or sheep on any premises if:

- (1) the overall area within which the ~~animal~~goat or sheep is kept is less than one acre for each ~~animal~~goat or sheep kept;
- (2) the premises are unsanitary; or
- (3) the premises where the goats or sheep are kept are a public nuisance as determined by a proceeding in Municipal Court initiated by the issuance of a citation or summons.

Sec. 2.404.3 Restriction on Keeping Fowl

No person shall keep more than six (6) female fowl per acre:

- (1) Fowl shall be kept in a coop behind a solid fenced backyard;
- (2) The premises where the fowl are kept shall not be unsanitary; and
- (3) The premises where the fowl are kept shall not be a public nuisance as determined by a proceeding in Municipal Court initiated by the issuance of a citation or summons.

Formatted: Font color: Red

Sec. 2.404.4 Keeping Roosters Prohibited

No person shall keep within the city any male chickens/roosters. ~~Male chickens/roosters existing as of January 1, 2018 are grandfathered. No additional male chickens/roosters beare allowed to remain but may not be replaced within the city.~~

Sec. 2.405 Permit Required for Exotic Animals

No person shall keep within the city, any wild animal, exotic animal, or exotic bird, warm-or-cold-blooded (not including caged pet rodents, caged pet birds and animals in aquariums) unless a permit is obtained from the animal control officer in accordance with the provisions in this chapter. ~~This section does not apply to animals located at any veterinary facility.~~

Sec. 2.406 Application to Keep Exotic Animals Fee

Application for any permit required in Section 2.405 shall be made in writing to the animal control officer, accompanied by payment determined by city council, to pay part of the cost of executing this article and is not to be prorated or refunded. The application shall state the name and residence of the applicant, the location of the premises where the animal or bird is to be kept, the number and kind of such animals or birds, and the kind of enclosure within which they are to be kept.

Sec. 2.407 Renewal, Amendment of Permit to Keep Exotic Animals

The permit required by Section 2.405 shall be renewed annually by October 31st each year, accompanied by payment of a fee established by City Council. If ownership of the place in which the animal is kept is changed, the permit may be changed accordingly upon written verified application and payment of a fee established by City Council for amending the permit.

Sec. 2.408 Findings Prerequisite to Permit for Exotic Animals

(a) The animal control officer shall determine, by inspection or otherwise, whether the keeping of exotic animals as proposed is in violation of any law or ordinance, and whether the keeping of exotic animals will constitute a nuisance. In making this determination, the animal control officer shall consider the following factors and be guided by the following standards:

- (1) The area of the premises on which the animals are to be kept,
- (2) Whether the keeping of animals will endanger the public health or cause orders or noises offensive to persons of ordinary sensibilities residing in the vicinity, and
- (3) Whether the keeping of such animals considering all the circumstances, is likely to endanger persons or property.

(b) The animal control officer shall verify the information in the application and shall issue or refuse the permit accordingly. The permit may include reasonable conditions determined by the animal control officer to be necessary to prevent a nuisance, such as the number and kind of animals to be kept thereon. All conditions of a permit are subject to review and revision by the animal control officer.

Sec. 2.409 Suspension, Revocation, Alternation of Permit

After reasonable notice and opportunity to be heard, the animal control officer may suspend or revoke any permit issued under Section 2.405 for violation of this chapter by the permittee. After issuing a permit, the animal control officer may add conditions or restrictions to the permit if investigation indicates any changes since the original permit was issued.

Sec. 2.410 Sanitation

(a) All animals and birds (except dogs, cats, caged pet rodents, caged pet birds, fowl and rabbits the keeping of which is otherwise regulated herein) shall be kept in a secure pen or enclosure which shall not be less than one hundred (100) feet from any inhabited dwelling (except that of the owner or person keeping such animals or birds) or any hotel, apartment house, tenement house, hospital, church or school.

(b) Fowl and rabbits shall be kept in a secure pen or enclosure that is at least 30 feet from any inhabited dwelling that is not the owner's dwelling, or any hotel, apartment houses, tenement houses, hospital, church or school; provided, the pen or enclosure may be within 20 feet of such buildings if separated therefrom by a public alley and by a solid fence or wall at least six feet high between the pen or enclosure and the alley; and provided, further, homing pigeons may be released from the pen or enclosure for the purpose of supervised flights.

(c) The word "kept" as used in this section does not prevent the temporary removal of the animal or bird from the pen for any normal use or purpose. In the case of animals for which a permit is issued, the animal control officer may waive the requirements as to distance from dwellings or

other buildings if keeping the animal in a dwelling or close by will not endanger the public health or create a public nuisance.

(d) The owner or person in possession of the pen or enclosure must keep it in such a manner as not to give off odors offensive to persons residing in the vicinity, or to breed or attract flies, mosquitoes, or other noxious insects, or in any manner to endanger the public health or create a public nuisance.

(e) All persons keeping such animals and birds must comply with the following regulations.

(1) Manure and droppings must be removed from pens, stables, yards, cages and other enclosures at least twice weekly and handled or disposed of in such a manner as to keep the premises free of any nuisance.

(2) Mound storage of droppings or manure between such removals will only be permitted under such conditions as to protect against the breeding of flies and to prevent migration of fly larvae (maggots) into the surrounding soil.

(3) Feed troughs may be provided for the feeding of vegetables, meat scraps, or garbage and such feeding must be done only in containers or on an impervious platform.

(4) Watering troughs or tanks may be provided that will be equipped with adequate facilities for draining the overflow, as to prevent the breeding of flies, mosquitoes, or other insects.

(5) No ~~putrescible~~ **rancid** material may be allowed to accumulate on the premises, and all such material used as feed that is unconsumed must be removed daily and disposed of by burial or other means approved by the animal control officer.

(f) For the purpose of enforcing this article, the animal control officer must make inspections of all places where animals or birds are kept; and the making of an application for or the issuing of any permit under this article constitutes consent for entry and inspection of the officer or his or her appointed agent(s) at all reasonable times.

Sec. 2.411 Exceptions to Permit Requirements and Restrictions

The permit requirements of this article do not apply to animals kept for scientific purposes by any educational or scientific institution, nor to animals belonging to a licensed circus or animal shows exhibited in the city temporarily, nor to animals or birds kept by the city for exhibition in a public park or zoo, ~~nor to the animals kept at the G. Rollie White Complex or Veterinary Clinics, and nor to animals kept for the purpose of 4-H/FFA youth programs.~~ Such animals or birds, however, shall be kept as not to constitute a nuisance or a danger to the public health or safety of any person, or group of persons within the city.

Sec. 2.412 Importation of Certain Animals

(a) The following animals, because they have a high probability of carrying rabies and constitute a danger to public health if brought into the state, will be excluded from importation as domestic pets:

- (1) Skunk.
- (2) Fox.
- (3) Raccoon.
- (4) Ringtail.
- (5) Coyote.
- (6) Bobcat.
- (7) Marten.

(b) These animals may be imported if they are designed for a research institute or public display as in zoos or organized entertainment units or Independent School Districts.

Agenda Action Form

AGENDA DATE:	1/2/2018	AGENDA ITEM	7. B.
AGENDA SUBJECT:	Discussion, consideration and possible action to award the bid and authorize the city manager to execute an agreement with Dowtech Specialty Contractors, Inc. for contractor services to replace two (2) solids handling pumps at \$84,000.		
PREPARED BY:	K. Lenoir / D. Bustamante / S. Miller	Date Submitted:	12/20/2017
EXHIBITS:	Memorandum (w/ attachments) for award.		
BUDGETARY IMPACT:	Required Expenditure:	\$84,000.00	
	Amount Budgeted:	\$119,000.00	
	Appropriation Required:	\$00.00	
CITY MANAGER APPROVAL:			

SUMMARY:

Background: This project was approved in Fiscal Year (FY) 2017 and initiated in late spring of 2017 with an effort to secure direct price quotes from specialty pump repair/supply companies. The price quote was structured for the interested bidding parties to assume full turn-key services for the pump replacement effort. During the course of the solicitation for price quotes qualified companies returned multiple inquiries suggesting the turn-key price quote methodology may be at risk. Subsequently, only one (1) price response was received, which exceeded the cost estimate. The job was cancelled and city staff met to discuss and review the next best approach. The result was acquiring engineering services from KSA Engineers, San Angelo to develop an engineering set of plans and specifications. The project was formally approved to continue into the FY 18 Sewer capital budget.

Current: Sealed bids were solicited and properly advertised in November to gain interest from general contractors for the replacement of two (2) solids handling pumps and is more fully explained on the attached exhibits. As part of the bidding requirements a mandatory Pre-Bid Site Visit was established and this resulted in three (3) interested general contractors attending. At bid opening on December 13 two of three qualified contractors submitted sealed responses (see bid tabulation).

The lowest responsive bid was received from **Dowtech Specialty Contractors, Inc.** in the amount of a base bid figure of **\$84,000.00**, comparing favorably to the engineer's estimate at \$80,000.00.

City staff recommends awarding the bid to Dowtech Specialty Contractors, Inc., Baird, Texas in the amount of **\$84,000.00**.

RECOMMENDED ACTION:

Move to award the bid and authorize the city manager to execute an agreement with Dowtech Specialty Contractors, Inc. for contractor services to replace two (2) solids handling pumps at \$84,000.

Re: Solids Handling Pump Replacement Project Improvements
Bid Award

On Wednesday December 13, 2017, two (2) sealed bid proposals were received at city hall in response to a Notice To Bidders advertisement for improvements titled Solids Handling Pump Replacement Project. A bid tabulation is shown below.

SOLIDS HANDLING PUMP REPLACEMENT PROJECT			Dowtech Specialty Contractors,		TTE, LLC

BID BOND			YES		YES	
ADDENDA			YES		YES	

This project is to replace two (2) deteriorated sludge pumping units at the WWTP. The pumps recirculate fluidize sludge to both the aeration carousel and the concrete drying beds and are in an advanced stage of deterioration (see attached photo). Since these pumps are critical to the sewage treatment process this project was prioritized as critical for replacing two (2) pumps showing the lowest level of expected sustainability.

Attached is the engineer's award recommendation letter and city staff concurs with this recommendation. It is recommended **Dowtech Specialty Contractors, Inc., Baird, Texas** be awarded the Solids Handling Pump Replacement Project in the amount of **\$84,000.00**.

Funding for this capital improvement project is established in FY2018 budget as assigned to Sewer Treatment Plant or as follows: Capital Outlay Projects, Acct No. 30-5-23-401.00, \$119,000.00.

RE: CITY OF BRADY SOLIDS HANDLING PUMP REPLACEMENT PROJECT

Ms. Lenoir:

Bids for the above referenced project were received at 2:00 p.m. on Wednesday, December 13, 2017, at Brady City Hall and publicly read at the same time, date, and location. A total of two (2) bids were received for the project. All bidders submitted either the required 5% bid bond or cashier's check and addenda's were in order. The Bid Tabulation is enclosed for your review.

The bidder with the lowest responsive bid is Dowtech Specialty Construction Inc., of Baird, TX, with the base amount of \$84,000.00 and an alternate bid of \$61,800.00 for a total bid of \$145,000.00. Dowtech feels confident in its bid and is ready to proceed if so awarded. A check of Dowtech Specialty Construction Inc. references being verified by the City must be returned with positive results.

It is respectfully recommended that the City of Brady award the construction contract to Dowtech Specialty Construction, Inc. of Baird, TX, contingent on concurrence from the Brady City Council.

When the City of Brady awards this contract, the City will issue a notice of award to the awarded contractor and prepare Contract Documents for execution by the contractor and City of Brady, for review and approval by Brady City Council. If you have any questions or require any further information regarding the project, please feel free to contact me at 325-947-1555 ext. 4229.

SUMMARY:			
<p>City of Brady City Council Member Places 2 and 3 are up for reelection this year. Per the City of Brady Home Rule Charter, Council must call an Election. The City of Brady is required by law to hold an election on a uniform election date. McCulloch County has only a limited amount of voting equipment and has been unable to assist the City with elections due to conflicting dates of Primary Elections and possible run-off elections. Therefore, we have had to seek help from the Brown County Election Administrator. This resolution calling the election and any needed subsequent agreements will allow the city to meet its obligations to the citizens of Brady, to the BISD School Board, and Brown County by gaining access to needed election equipment and other required resources.</p>			
RECOMMENDED ACTION:

Quarterly Report: October 2017 – December 2017

Project Status Report, Clean Water State Revolving Fund (CWSRF) Project #73638: WWTP Replacement Project

The City of Brady is a loan recipient from TWDB under the CWSRF program. The WWTP is at a critical stage in regard to its structural viability and treatment efficacy as the entire facility has reached the end of its useful life. Originally placed into service circa 1960's and repurposing of existing structures over several decades with one (1) major upgrade in late 1980's. The engineering firm of Freese and Nichols, Inc. (FNI) has been engaged to provide professional engineering services for producing a proper design for the replacement of the WWTP that will meet the rules and requirements of two (2) State Agencies: TWDB and TCEQ.

City staff and FNI engineers completed a technology transfer workshop in late 2016 in which major decisions were made affecting treatment process design. Two primary options were presented: 1) Single Batch Reactors (SBR) or 2) Continuous flow through extended aeration. Each process treatment design has particular advantages and disadvantages. SBR are highly automated and very dependent on instrumentation and computer driven devices. Continuous flow through treatment process is widely used in the industry and largely due to city's WWTP being similar in nature it was elected to stay with the continuous flow through treatment scheme. Through-out 2017 a series of activities ensued: 30% design plans & specifications, engineering cost estimate (opinion of probable costs) schedules and third party construction cost analysis and city/engineer value engineering work effort. Through a series of communication and correspondence and conferencing the following cost tabulation was derived:

The City of Brady is a loan recipient from TWDB under the DWSRF and the Economically Distressed Areas Program (EDAP) programs. The city's groundwater supply has been deemed non-compliant due to radionuclides as promulgated by the Safe Drinking Water Act and administered by the USEPA. The engineering firm of Enprotec / Hibbs & Todd of Abilene (eHT) has been engaged to provide professional engineering services for producing a technical solution to bring the city's groundwater supply into compliance.

Easement acquisition for the south transmission water main route is complete! The southern route culminated in the acquisition of four (4) utility easements and the purchase of one land parcel (lot). This work effort by city staff formally secures an authorized route for the proposed 16" in. water transmission main route stretching from the city's 'tank farm' on FM2028 (17th Street) to Well Site No. 5. A related field activity was performed by city staff with a landowner representative for the large Winters' tract in which the route was traversed by foot to determine any unique land features as identified by the landowner. Upon completion of the traverse a short section of pipeline route will be shifted east to accommodate a rock escarpment and a localized creek tributary confluence.

The north transmission water main route is also established now along FM 2028 through Richards Park and across the Jacoby railway and then eventually aligned land owned by the city. The proposed 12" in. water main then enters US87 right-of-way and is parallel on the west side up to near the golf course.

Project Status –

- City staff in association with Apex-TITAN (geo-science consultant) developed a “path toward closure” strategy with TCEQ Remediation Division (Austin). Apex-TITAN in a conference call with TCEQ consulted with city on the process of changing the site evaluation of the old power plant from its current Risk Reduction Plan (RRP, Rule 335) process to Texas Risk Reduction Plan (TRRP, Rule 350). It may appear to be an insignificant change name-wise however, it represents a significant strategy change with TCEQ by rule. Operating under Chapter 350 allows the city to “move away” from in-situ remediation evaluation and soil monitoring efforts, which has been underway for years. The voluminous data collected and analyzed by Apex-TITAN from past soil tests & results can now be “converted” to an analytical basis of completion strategy. Apex-TITAN is expected to propose a work plan in early 2018 upon receiving approval from TCEQ Remediation Division of an accepted *Notice of Intent to Switch to TRRP* (NOIST) application (compiled by city staff & Apex-TITAN and submitted 12/21/2017).

City of Brady is a participant with TxDOT – Brownwood through a 90-10 cost share agreement where city's contribution is \$297,280.00 for relocation of existing gas, water, electric and sewer within the state's right-of-way road corridor (contribution payments were structured for three releases, see below). Project planning began in calendar year 2014 with engineering and surveying wrapping up in early 2017. TxDOT Brownwood established a bid date in July of 2017 and at that time there were five (5) qualified contractors on the bid list. At bid opening only one bidder responded and due to the cost overrun TxDOT–Brownwood rejected the proposal received and established a new bid date of January 2018 with a much reduced work scope. The project includes only Bridge St. from the north side of the courthouse square up to US190E turn-off. The Brady downtown square is delayed indefinitely.

Contractor:	Westar Construction – Boat Ramps	March 15, 2016

Project Description: The City of Brady (COB) received a federal Boating Access Program Grant from the Texas Parks and Wildlife Department (TPWD) in 2012. This grant project was to extend the length of one (1) boat ramp and improve two (2) boat docks at Brady Lake. The ramp on the north side of the park was to be extended and boat docks at the Main Ramp and the North Ramp to be updated. The project was rebid in March 2016, and Westar Construction secured the contract for the ramp improvements and docks. Construction of the dock was completed in January 2017, but due to increasing lake levels the boat ramp construction had been delayed and a contract amendment with Westar was completed to remove the Boat Ramp Project from the original contract.

At this time no further action is anticipated unless lake level drop significantly. TPWD has asked that the City retain the grant until the expiration in June of 2018.

Contract Assignments:

Engineer: KSA Contracted: June 16, 2014

Contractor: Docks of Texas – Fish House 80% complete – Contractor Removed

Project Description: In 2009, the citizens of Brady approved the use of 4A Economic Development Funds for a 4B-Type project for improvements at Brady Lake Park. One of the improvements was the rehabilitation of the Fish House. The new Fish House was designed and originally bid as part of a larger project including a boat ramp and new boat docks. After receiving no bids for the ramp and docks, the Fish House Redevelopment Project was separated from the boat ramp improvements. Docks of Texas is remodeling the Fish House with BEDC funds and is 80% complete. The old Fish House has been removed. Electric conduit and lighting has been installed. Staff has attempted to notify the contractor that they are in breach of contract via phone, e-mail and certified letter. The letter was returned unclaimed.

Staff is now seeking new contractors to complete the remaining work of anchoring and insulating the interior of the fish house.

Project Description: The City of Brady (COB) received a Small Communities Grant from the Texas Parks and Wildlife Department (TPWD). This project includes new sidewalks, picnic spaces and a new playground at Willie Washington Park. Director Peter Lamont attended the National Recreation and Parks Association Conference in October 2016 to view first hand possible playground styles to develop conceptual ideas to present to citizens. Staff met with neighborhood representatives on November 22, 2016 and March 27, 2017 to discuss the style and design of the playground. Council approved issuing a purchase order for the new playground with the requested changes from the neighborhood. The playground, sidewalk, benches and shade structure were installed.

The Electrical Utilities Division are removing the majority of the overhead electrical, installing underground with new lights. Irrigation will be completed over the winter and new landscaping added early spring and a dedication will be planned once all parts of the project are completed.

Project Description: The City of Brady (COB) received a Recreational Trails Program Grant from the Texas Parks and Wildlife Department (TPWD) in 2012. This grant was to rebuild the 1986 gravel trail along Brady Creek from Richards Park to a park located on West Richards Drive and North Pine Street. This project had an original due date of June 2015. Staff completed a walk-through of the trail on September 13, 2016 with the project engineer and submitted a punch list to the contractor containing two items (2) for repair. Staff conducted a walk-through with TPWD on March 1, 2017. Due to recent rains and flooding a second extension was granted until June 30, 2017. The original project was to cover 7,200 linear feet, but due to costs, could only cover approximately 5,000 feet. Due to this, an amendment to the TPWD contract was needed. Staff submitted the amendment in April and contract amendment was accepted in June. The punch list items were completed and the project accepted by City and TPWD.

Project Description: On April 24, 2017 members of the McCulloch County Extension Leadership Committee including City Council, City staff, County Commissioners and AgriLife Extension Service representatives met in a special joint work session to discuss current City, County and 4-H needs and plans for master planning the GRW Complex as well as its history of joint-use, its future use and the next steps of appointing a GRW Steering (AgriLife Leadership) Committee. City Council and County Commissioners each appointed two members to the new GRW Steering Committee. On June 20, Director Peter Lamont and Agent Jacque Behrens met to discuss and organize the inaugural meeting of the GRW (Goals) Steering Committee. The meeting was held June 29 and included ten (10) members: Mayor Pro Tem James Griffin, Council Member Shelly Perkins, P&Z Committee Chair Nick Blyshak, Director of Community Services Peter Lamont, County Commissioners Gene Edmiston and Jason Behrens, Extension Agent Jacque Behrens, Livestock Association representatives Joe Behrens and Michael Probst and Chamber President Erin Corbell. Initial thoughts on required facilities included two (2) covered arenas, buildings that can accommodate portable stalls, meeting building and show office, RV spaces with hookups and an office for the McCulloch County AgriLife Extension Service agents.

Survey and deed of GRW Complex was found. City has the option to sell all or part of the facilities/complex, per deed, if desired.

A grant was submitted to the G. Rollie White Foundation for planning funds, but was not awarded. The committee wishes to form a tax exempt 501(c)3 organization for the purposes of fund raising.

Contract Assignments:**Architects: EKION Consultants**

Project Description: In 2015, the City purchased the South Ward Cafeteria building from the Brady Independent School District with assistance from McCulloch County. The facility is intended to hold the Senior Citizen program and the Meals-on-Wheels program. The facility will also be used for other activities and programs when not in use for senior programming – afternoons, evenings and weekends. EKION provided conceptual drawings for the facility with the City planning to contract out the various aspects of the construction. In December 2015 a request for proposals for was released for HVAC services. Only one company responded and noted that energy codes would require each trade to build to the highest level of the code while a completed plan would allow tradeoffs resulting in costs savings

On February 7, 2016 the contract EKION was expanded to include full plans, specifications and bid documents. These plans include a commercial kitchen to support the Senior Lunch program. EKION has provided an estimated cost of \$875,000 or approximately \$130/sq. ft. The reason for the costs include new restrooms, energy code requirements, ADA accessibility requirements, and commercial kitchen codes.

The City has cleaned the facility and sold what items it could via online auction. Utilities has been reworking the lines servicing the facility.

Contract Assignments:

Contractor: **Jason Skinner**

Project Description:

Axis deer have become a significant issue in the vicinity of Brady Lake. Large herds have been entering the City limits, especially in the Simpson Lake Club area. These same herds have had a detrimental effect on the native White Tail deer. On April 4, 2017, City Council authorized the City Manager to enter into an agreement with Jason Skinner to act as a trapper and to relocate Axis deer from the South Shore Park area of Brady Lake. The contract includes fees for Axis of various ages and sizes to be paid to the City.

After numerous back and forth legal reviews, an agreement was reached and a contract has been signed. The two year contract will be evaluated with monthly reports from the trappers and the annual deer count. Additionally, Mr. Skinner has met with Agrilife to assist with the local youth hunts authorized by Council.

Start Date / Completion Date:

Planning Start: April 4, 2017

Subject: Update of Replat & Leases of Davee and Dodge Heights Subdivisions

In 2013-2014, staff discovered the tangled web of non-compliance and billing with lake lot leases for Davee and Dodge Heights. In 2015, City Council increased the annual lease payments to \$1200 per year per lot. TCEQ rules also made it difficult for the city to continue to lease lots that were too small (less than 1/2 acre) for current septic tank requirements, especially in complying with the clean pristine water quality of the Brady Lake area. In 2016, staff began survey and replat work to clear up the records, billing, property inspections and compliance with current TCEQ septic tank regulations.

In January 2017, City Council and P&Z discussed the proposed replat of Davee Addition. The City Council gave staff further directions on the amended lease agreements for the new lot lay-outs and to assume if bills had been sent and paid the owner had a right to a lake lot lease. Draft lease agreements and maps were mailed and staff met with the 7 families affected in the Davee Addition. P&Z held a Public Hearing for Davee Addition on February 14 and City Council on February 21, both hearings have been extended to June 13 and 20 and then to September 12 and 19 to address one property survey line adjustment, that the surveyor needed to make. Council approved the replat of the Davee Addition September 19.

City Council also discussed a desire to sell the newly replatted lots, with first right of refusal going to the active lease holder with proper property improvements. The City Attorney found that city could sell the leased lake lots at appraised value. The appraiser finished his report of the Davee Addition. City Council will review the appraisal.

City Council waived the 2016 billing and staff billed the Davee lot leases with active leases for 2017 at the rate of the existing leases. January is time to bill for 2018 leases.

The Dodge Heights replat has been more difficult to replat, with the probability of several homes on less than a 1/2 acre tract. The goal is to have the Dodge Heights replat and staff recommendations scheduled in July 2018.

In February 2017, City Council put a moratorium on considering any new leases, until the lake lot leases and replats are in order. The Dodge Heights subdivision, zoned single-family in 2013, will go through the replatting rules process, requiring public hearings, P&Z approval and City Council approval. All new leases will be prepared and approved by city council, incorporating any current active leases yet to expire.

Next Step:

Davee – File final plat. Sell lots.

Dodge Heights – continuation of cleaning up records. One abandoned lot and personal property is scheduled for demolition.

Subject: Update of Regulating Boat Docks on Brady Lake

City of Brady has Ordinance No. 316, Regulating Boat Docks and Other Floating Structures that needs updating. Just like recordkeeping of lease lake lots, records of active boat dock permits are not complete. Now that the lake is filling and boat docks can float again on the lake, there is more interest in acquiring and permitting boat docks from lake property owners. There are also many existing boat docks in poor condition that are not claimed that need to be removed.

Staff is reviewing rules on other Texas lakes and is preparing new boat dock rules and regulations. Staff will be presenting soon to the City Council to discuss all issues in an upcoming work session.

Staff is billing in January existing boat docks with permits and requesting new applications from all other boat dock owners. By ordinance only lake lot owners may have a boat dock on Brady Lake.

Next Steps:

Staff is identifying existing boat dock permits that are in compliance and billing in January.
Inspect existing docks for non-compliance and abandonment. Post notices and remove the docks.
Present updated rules and regulations to City Council for discussion during a work session.

Subject: Construct City Animal Control Facility at GRW Complex

In June 2017, City Council Members and staff toured animal control facilities in Lampasas and San Saba. The city has been leasing for 2 1/2 years the Mays Vet building on the San Angelo Highway for a 72-hour stray hold facility. That lease expires July 2018.

During budget work sessions, City Council proposed to build a small facility at GR White Complex to meet the minimum needs of the city for a permanent 72-hour stray hold facility, not to exceed \$70,000 which was budgeted for FY2018.

Staff reviewed with City Council on-site and at the work session on September 19, the concept plan for the facility. It would be located on the north end of the race track, near the back unpaved road and surrounding an existing small concrete building (17' x 16'), all located southwest of the existing FFA/4H animal pens. Water, sewer, electric, and phone utilities are located nearby. The site needed to be raised and drainage improved by adding a second culvert under the unpaved road that drains to Brady Creek. The street department completed the pad site.

The concept plans include moving the 20' x 20' portable office building located at the South Shore Park (old Mutualistic site) and to build a new garage style metal building with 24 kennels, like was observed in Lampasas. City Council liked the concept plan.

Staff hired Eikon to design/engineer the foundation plans, plumbing and the pre-fab metal building is also engineered.

Next Steps:

In January, staff will solicit bids for contractors to build the concrete foundation, plumbing (54' x 40') and install the new metal building.
