AGENDA DATE:	1-21-2020	AGENDA ITEM	5.
AGENDA SUBJECT:	First Quarter Financial Report – FY 20		
PREPARED BY:	Lisa Remini	Date Submitted:	1-16-2020
EXHIBITS:	Financial Report as of December 31, 2019 Fund Balance and Cash Reconciliation Reconciled Cash and Utility Billing Summary Sales Tax Chart by Fiscal Year Utility Customer Service Reports BVFD activity report on City grant funding		
BUDGETARY IMPACT:	Required Expenditure:		\$00.00
	Amount Budgeted:		\$00.00
	Appropriation Required:		\$00.00
CITY MANAGER APPROVAL:			

SUMMARY:

Financial Reports for first quarter-end (25%) of FY 20 have been emailed to you for review and placed on the website for public view.

City Sales Tax collections through December, 2019 total \$236,145.08, and are in line at 26% with budget projections; however, total collections are \$24,534 less than last year at this time.

Current Property tax collections total \$92,800.31 and are at 10% of budget projections.

Revenues for the city's core funds: General, Electric, Water/Sewer, Solid Waste and Utility Support are on track with budget goals. Gas sales are slightly short of budget goals due to lower than projected commercial sales.

Expenditures for the city's core funds are tracking appropriately.

The Electric Utility division returned \$173,329 to our customers in December due to cost savings generated by our wholesale power provider, LCRA.

RECOMMENDED ACTION:

This item is for discussion purposes only.

SUMMARY:
<p>Survey field services were solicited from Searchers Land Surveying of Mason, Texas to address adjustments of existing gas mains and water mains along US87N from near railroad tracks north to White Street. In FY2019, TxDOT-Brownwood alerted city staff of planned improvements for US87N requiring adjustments of utilities in this highway right-of-way.</p> <p>City staff met with Searchers Land Surveying chief surveyor and walked portions of highway to gauge the proposed gas and water improvements in the TxDOT right-of-way. Searchers Land Surveying compiled preliminary findings and produced the referenced scope of work and proposal cost. This company has provided previous land survey tasks to the city and their overall quality of work is considered exceptional.</p> <p>Funding assignment is established in Gas Division under 40-5-42-401.00 (Capital Outlay Projects) at \$25,000.00.</p>

SUMMARY:
In FY2019, city staff was alerted by TxDOT-Brownwood of planned improvements along US87N from near downtown square to civic center. In anticipation of these improvements' city staff budgeted in FY19 capital outlay projects monies for design and construction services to adjust or relocate gas main lines and water main lines to meet TxDOT standards for right-of-way usage under a planned compensable reimbursement agreement. However, the project limits have changed due to expedited needs by TxDOT-Brownwood. The revised limits of the project are now separated into two (2) phases. The first phase is from the railroad north to White Street (see sketch) with the remaining phases extending from railroad tracks south into near downtown square expected later. The significance of Phase 1 is the city does not qualify for compensable reimbursement due to a lack of historical records delineating established right-of-way or easements for the existing gas and water mains from railroad tracks north to White Street. However, adequate funding exists for design services; and construction bidding funds in this fiscal year is expected to be provided from divisional fund balances.

RECOMMENDED ACTION:
Mayor: <u>"Do I have a motion to authorize the city manager to execute an agreement with KSA Engineers, San Angelo, Texas for design services at \$36,000.00 including construction phase services at \$24,000.00 for a total award of \$60,000.00?"</u> Mayor calls for a motion: Move to award

RE: SH-87 Water and Gas Improvements

Dear Mr. Jobe:

KSA Engineers, Inc. (KSA) is pleased to present this letter to serve as our proposal for providing the City of Brady engineering services to replace the water and gas lines on State Highway (SH) 87. The project will begin at the railroad and end at White Street for water on both sides of the highway. The gas improvements will consist of two (2) highway crossings as generally shown on Exhibit 1. It is KSA's understanding that professional engineering services for the water and gas line projects will consist of design, bidding and construction administration. The project and scope of services for this project are more thoroughly defined below.

Project Description

The City intends to move the utilities to the edge of SH 87 right-of-way (ROW) to prepare for TxDOT's reconstruction of SH 87. 1,100 feet of existing 6 inch water line located on the east side of SH 87 will be moved four feet from the ROW. 1,100 feet of the existing 2 inch water line located on the west side of SH 87 will be upsized to a 6 inch as it is currently at the edge of the ROW. One (1) water line crossings of 120 feet under SH 87 will be bored and replaced with an encased 6 inch. The installation of the water line will include renewing the service connections, valves and hydrants. Two (2) gas line crossings of 120 feet each will be bored and replaced with an encased gas line. The project scope is illustrated on Exhibit 1.

SH 87 Water and Gas Improvements:

- Approx. 2,440 linear feet of PVC 6 inch water main
- Bore three (3) crossings of 120 feet each – two (2) gas and one (1) water
- Install steel casing for the three (3) crossings
- Open cut and repair 333 square yards (varies) of asphalt road
- Open cut and repair 333 square yards (varies) of gravel driveways
- Gate valves for water and poly valves for gas
- Service connections
- Ductile iron fittings for water and poly fittings for gas
- Hot tap connections for water and poly-fusion connections for gas

Scope of Services

We propose to accomplish the design, bidding and construction administration for SH 87 water and gas improvements with the following tasks:

90% Design Phase Services:

1. The City of Brady will purchase field surveys necessary for the design.
2. Prepare design plans and specifications of the water and gas improvements.
3. Prepare a construction phasing plan and traffic control.
4. On the basis of the design drawings, prepare an opinion of probable construction cost for the project and prepare the contract documents and specifications including standard detail sheets for water and gas requirements.
5. Coordinate the utility installation request (UIR) with TxDOT.
6. Quality control review.
7. Submit 90% design documents to the Owner and TxDOT (not to exceed two (2) copies) for review and approval including electronic PDF versions.
8. Meet with the Owner to review the preliminary design documents to solicit comments on the design.
9. The drawings will be reviewed by the Owner's staff and approved prior to final design.

Final Design Phase Services:

1. On the basis of the approved 90% design documents, prepare detailed construction drawings and specifications for the project.
2. Prepare a revised opinion of probable construction cost for the final plans and specifications.
3. Submit final design documents to the Owner (not to exceed two (2) copies) for approval.

Bidding Services:

1. Advertise the project on CivCast.
2. Prepare addenda.
3. Answer contractor questions.
4. Conduct a mandatory pre-bid conference.
5. Conduct bid opening.
6. Prepare bid tabulation.
7. Review bids and contractor qualifications.
8. Prepare award recommendation.

Construction Administration Services:

1. Prepare six (6) sets of construction contracts.
2. Conduct pre-construction conference. Provide construction contracts. Issue notice to proceed.
3. Review contractor submittals, cut sheets, shop drawings, etc.
4. Coordinate with the contractor and owner at major job phases.
5. Prepare change orders as needed.
6. Review test reports as applicable.
7. Perform periodic site inspections.
8. Review and process contractor pay applications.

Closeout Services:

1. Perform pre-final inspection and provide contractor with punch list.
2. Perform final inspection and verify punch list.
3. Provide record drawings to City of Brady.
4. Perform one-year warranty inspection.

Excluded Services

1. Surveying
2. Environmental
3. Geotechnical
4. Historical or archaeological study

Schedule

KSA proposes to perform the basic services listed above in accordance with the schedule listed below:

1. Receive NTP from the City for Design Phase Services.
2. Survey performed by Searchers Land Surveying, LLC sent to KSA within 15 days from Design Phase NTP.
3. Submit 90% design plan submittal for review within 60 calendar days from Design Phase NTP.
4. Submit Final design plan submittal for review within 15 calendar days from receipt of City's review comments.
5. Bid and award the project within 30 calendar days from Final design approval.
6. Administer construction services for the duration of construction – approximately 60 calendar days.
7. Administer closeout services within 30 days of substantial construction completion.

Compensation

KSA proposes to provide the services described under Scope of Services listed above as lump sum. The breakdown of the fee associated with each phase of the project is as follows:

90 % Design Phase	\$24,000
Final Design Phase	\$12,000
Design Subtotal	\$36,000

Bidding Phase	\$6,000
Construction Administration Phase	\$15,000
Closeout Phase	\$3,000
Construction Subtotal	\$24,000

Total Lump Sum Fee	\$60,000
---------------------------------	-----------------

Additional services not included with this proposal can be provided in future task orders upon request. No additional work will be performed without prior written approval from the City of Brady.

Invoices will be submitted monthly based on an estimate of percent complete.

Proposal Acceptance

Please let us know if this proposal is acceptable. KSA will provide an agreement that executes the contract.

We appreciate this opportunity to provide these services for the City of Brady Water and Gas Line Improvements on State Highway 87. If you have any questions regarding this proposal, please do not hesitate to call.

Respectfully,

KSA Engineers, Inc.

AGREEMENT FOR CONSULTING SERVICES

STATE OF TEXAS §

COUNTY OF McCULLOCH §

CITY OF BRADY, TX §

This is an **Agreement** by and between the City of Brady, Texas, (CITY), a home rule municipal corporation located at 201 E. Main Street, Brady, Texas 76825, and, KSA Engineers, 3134 Executive Circle, San Angelo, Texas 76904

WHEREAS, CITY desires to obtain certain engineering professional services; and

WHEREAS, KSA Engineers is in the business of providing such services,

NOW, THEREFORE, the CITY and KSA Engineers mutually agrees as follows:

I. SCOPE OF SERVICES & OBLIGATIONS

KSA Engineers, HEREINAFTER referred to as ENGINEER and shall serve as an ENGINEER of the CITY. The description of services contained herein is intended to be general in nature. It is neither exhaustive, nor a limitation on ENGINEER's services so long as its services delivered are consistent with the provisions of this **Agreement**.

ENGINEER agrees to provide professional services to the CITY as described in a work order(s) of which is attached to and made a part of this **Agreement** and as more fully delineated or described in **Attachment A**.

ENGINEER shall procure and maintain at all times, and at its own expense, for the program or services covered by this **Agreement**, any and all necessary liability insurance with companies authorized to do business in the State of Texas. ENGINEER must deliver to CITY proof of insurance (**Attachment B** as attached) evidencing that coverages are in full force and effect.

ENGINEER shall defend, indemnify and hold harmless the CITY, its officials and employees, against all suits or claims that may be based on any injury to persons or property that may occur, or may be alleged to occur, in the course of the performance of this **Agreement** by ENGINEER, its agents or employees, provided, that the damage, claims, loss, demand, or suit is caused in whole or in part by any negligent act or omission of ENGINEER, or any sub-consultant of ENGINEER, or anyone directly or indirectly employed by ENGINEER.

All professional services provided under this **Agreement** must be completed as described in each work order; the dates for performance can only be extended with a written consent letter signed by both CITY and ENGINEER.

ENGINEER shall provide services which reflect normal professional and industry standards, procedures and performances. ENGINEER shall exercise due diligence and proper care and perform services subject to this **Agreement** or Contract in a good and professional workmanlike manner. Approval by CITY shall not constitute, or be deemed, a release of the responsibility and liability of the ENGINEER, its employees, agents, or associates from the exercise of skill and diligence, nor shall CITY's approval be deemed to be an assumption of responsibility by CITY or any defect or error by ENGINEER.

II. COMPENSATION

CITY shall compensate ENGINEER for its services in the amount and manner as described more fully in Attachment A. A fee summary follows:

- Work Scope (Attachment A) – Proposal Dated 01/02/2020
 - Gas & Water Utility Design Services Phase \$36,000.00
 - Gas & Water Utility Bid & Construction Services Phase \$24,000.00
 - Total Fee Basis = **\$60,000.00**

Unless otherwise stated or agreed to in writing by both parties, ENGINEER shall invoice CITY at the end of each month for the services performed under the scope of services in each work order during that month.

ENGINEER shall invoice the CITY monthly and will reflect the percentage of the project completed at the date of the invoice. The CITY shall process payments of amounts due for Basic Engineering Services, Special Services, Additional Services and Reimbursable Expenses, if any, under this **Agreement** within 30- days after ENGINEER's presentation of payment invoice.

Reimbursable expenses shall mean the ENGINEER's cost of reproduction of reports, drawings and similar project related items. Reimbursable expenses are controlled or otherwise limited as shown in the Reimbursable Expense Addendum as attached and made a part of this **Agreement**.

III. SPECIAL CONDITIONS

No officer, agent or employee of the CITY is employed by ENGINEER or has a financial interest direct or indirect in this **Agreement** or the compensation to be paid under this **Agreement**.

ENGINEER shall promptly correct any defective designs or specification furnished by ENGINEER at no cost to CITY. CITY's approval, acceptance, use of, or payment for all or any part of the Engineer's services hereunder shall in no way alter the Engineer's obligations or rights hereunder.

All documents, including but not limited to original drawings, estimates, specifications, field notes and data that are created for or an outcome of work generated or produced for the CITY shall become the property of CITY. This includes certain intellectual property, such as datasets/results generated from computer programs or software, documentation, specifications, inventions, improvements, discoveries and other copyrightable or patentable works ("Works") developed by ENGINEER, solely or with others, resulting from performance of services under this **Agreement** or Contract and which shall become the property of the CITY.

ENGINEER does hereby irrevocably grant and assign to CITY and its licensees all rights in and to the Works during the performance period of this **Agreement** or Contract and thereafter, including by not limited to the right to reproduce, distribute, prepare derivative Works, display and perform action on the Works.

ENGINEER understands that performing work for the CITY may involve access to and creation of confidential information or information involving the personal privacy and personal identity of customers or citizens, trade secret or other confidential information ("proprietary information") of the CITY and its affiliates or customers. ENGINEER agrees not to disclose or use any proprietary information without the prior written consent of the CITY.

This **Agreement** contains the entire **Agreement** of the Parties and there are no other promises or conditions in any other **Agreement** whether oral or written. This **Agreement** may be modified or amended if the addendum is made in writing and is executed by both parties.

This **Agreement** shall be governed by the laws of the State of Texas. Venue shall be in McCulloch County, Texas.

IV. TERM

ENGINEER shall complete all Design and Construction Phase Services 180-Days from release of notice-to proceed letter from CITY.

Either party may terminate the **Agreement** or Contract at any time upon thirty (30) days written notice. Upon ENGINEER's receipt of such Notice by the CITY, ENGINEER shall cease work immediately.

If this **Agreement** is terminated by the CITY, the ENGINEER will be paid for services performed to the date of termination. If this **Agreement** is terminated by the ENGINEER, the ENGINEER will be paid for services performed on the completed portions of the project which are usable to the CITY.

If, through any cause, ENGINEER fails to fulfill its obligations under this **Agreement**, or if the ENGINEER violates any of the conditions or requirements of this **Agreement**, CITY has the right to terminate this **Agreement** or Contract by giving the ENGINEER five (5) days written notice the ENGINEER will be compensated for the services satisfactorily performed before the termination date.

<p>Move to approve Election agreement</p>

**JOINT ELECTION AGREEMENT BETWEEN
THE BRADY INDEPENDENT SCHOOL
DISTRICT AND THE CITY OF BRADY**

This joint election agreement is made this day of ____ day of _____, 2020, by and between the Brady Independent School District ("Brady ISO") and the City of Brady (the City").

WHEREAS, Brady ISD plans to hold an election on Saturday, May 2, 2020 for the purpose of electing one trustee for each of the Single Member Districts 2 and 3, and a special election to elect one trustee for Single Member District 1. The special election is to fill an unexpired term which ends in May 2021;

WHEREAS, The City plans to hold a General Election on Saturday, May 2, 2020 for the purpose of electing the City of Brady Mayor and City Council place 1;

WHEREAS, Texas Election Code section 271.002 authorizes the governing bodies of political subdivisions to enter into an agreement to hold joint elections in election precincts that can be served by common polling places;

WHEREAS, Brady ISD and the City will hold elections on the same day; and

WHEREAS, the parties to this agreement serve voters within the same boundaries, and it would be to the benefit of the City, Brady ISD, and the citizens and voters thereof to hold the elections jointly.

NOW, THEREFORE, IT IS AGREED that a joint election will be held by Brady ISD and the City for the Saturday, May 2, 2020 election and future elections, unless and until cancelled by either party, under the following terms and conditions:

The City and Brady ISD will jointly use ballots and the electronic voting system which is leased by contract from Brown County, Brownwood, Texas.

Tabulation of all results will be administered through Brown County with the Brown County Elections Administrator presiding.

The City and Brady ISD will individually be responsible for ordering its own election and publishing its notice of election.

City Secretary of the City will be designated as the Chief Election Official.

Early voting for the City and Brady ISD will take place jointly and be located at City Hall of Brady, 201 E. Main, Brady, Texas. The hours for early voting will be from 8:30 a.m. to 5:00 p.m. Monday through Friday with two 12-hour days as required per Texas Election code 85.005(d).

On Election Day the polling place located at City Hall of Brady, 201 E. Main St., Brady, Texas will be jointly used by the City and Brady ISD. The City will be responsible for securing qualified individuals to serve as election judges for the polling place jointly used by the City and Brady ISD.

The City and Brady ISD will individually purchase the necessary election materials and supplies. Each entity will furnish the necessary ballot information to Brown County Elections Administrator for the programming of the accessible voting system. Brown County will be responsible for the preparation of the accessible voting system that will be used during the early voting and on Election Day at City Hall.

The City will be responsible for the management of early voting by personal appearance and early voting by mail.

The City and Brady ISD shall share equally in the expense of the early voting and Election Day polling locations, ballot programming, payroll of election workers, and other costs common to both elections upon receipt of satisfactory billing and invoices from Brown County reflecting the total of such expenses.

In the event that the City cancels an election, Brady ISD will determine alternative polling place and election workers for early voting and election day as stated within this agreement. In such case, the City shall not be responsible for any costs associated with said election.

The undersigned are the duly authorized representative of the parties' governing bodies, and their signatures represent adoption and acceptance of the terms and conditions of this agreement.

-----------------	---

June 12, 2018 – Numerous attempts made to contact owner. Contacted owner and we discussed the property. I explained the property meets requirements for demolition and Mr. Longoria still believes he can repair the property. We also discussed the matter of mold found on the walls inside the house when inspected by Kim Davee and Brian Meroney on November 27, 2017 and my findings on June 11, 2018. He stated he will have all trash and debris removed by Monday, June 18, 2018.

November 29, 2018 – Walter Holbert made contact with the PTM Group stated they did attempt to sell property to Chris Longoria but have not heard from him in 6 months. Also stated that Mr. Longoria had made some repairs to the property along with cleaning up some of the debris before losing contact with him.

December 4, 2018 – It was decided to restart from the 90 day abatement and to rescind demolition order 2018-19 due to work being done on the property after the order was issued.

January 15, 2020 – No work has been done to the property since rescinding Demolition Order 2018-19.

The structure satisfies the substandard and dangerous conditions set forth in Section 3.207 of the Code of Ordinances:

- (2) The building or structure was constructed or maintained in violation of any provision of the city's building code, or any other applicable ordinance or law of the city, county, state or federal government.
- (5) The non-supporting coverings of the walls, ceilings, roofs or floors are 50 percent or more damaged or deteriorated.
- (7) The structure or any part thereof has been damaged by fire, water, earthquake, wind, vandalism or other cause to such an extent that it has become dangerous to the public health, safety and welfare.
- (8) The structure does not have adequate light, ventilation or sanitation facilities as required by the city.
- (10) The structure, because of its condition, is unsafe, unsanitary, or dangerous to the health, safety and general welfare of the city's citizens including all conditions conducive to the harboring of rats or mice or other disease carrying animals or insects reasonably calculated to spread disease.
- (11) The structure is unsafe, unsanitary or dangerous to the health, safety and general welfare of the city's citizens due to failure to comply with any provision in chapter 13 of the city code (Utilities).
- (12) The structure is unsafe, unsanitary or dangerous to the health, safety and general welfare of the city's citizens due to a nuisance that constitutes an unsanitary condition on property as defined in Section 8.106 of the city code.
