| SUMMARY: |
| <p>TDA has open the FY2025-2026 Application Cycle for interested entities to apply for grant funding under the TxCDBG program, which has established a fund category known as Community Development Fund. The Community Development Fund is the largest fund category in the TxCDBG Program. This fund is available to entities in the 24 state planning regions and has established a maximum award of \$750,000 based on competitive ranking. City staff has selected a high priority category identified as Fire Station / Equipment. The attached resolution is required to be submitted in the initial application phase known as Phase 1: Community Application. The deadline for submission is Monday, December 9, 2024. Based on established points in the TxCDBG ranking process, city staff is recommending a \$75,000.00 matching amount that results in a 50-point assignment under the ranking process. It is expected final scoring by TDA will be released in the New Year or January 2025.</p> |

| SUMMARY: | <p>The City of Brady's previous fuel sales agreement with Reeder Distributors has expired, and the city seeks to establish a new agreement to ensure a reliable, local source of bulk fuel. Past invitation-to-bid efforts have yielded limited responses and lacked fiscally beneficial options, as selecting out-of-town vendors could lead to increased transportation costs.</p> <p>Additionally, the City of Brady does not currently have adequate fuel storage capacity to support long-term fuel consumption needs, making consistent local supply essential for efficient city operations.</p> <p>This agreement with Reeder Distributors will secure fuel access for critical services, including public safety and utility functions, while supporting the community's economy by partnering with a local provider.</p> |

| RECOMMENDED ACTION: | <p>It is recommended that City Council approve the new fuel purchase agreement with Reeder Distributors.</p> |
