

The Park Vision Survey collected feedback on the most valued features of Brady parks, how important parks are to the quality of life and identity of Brady, and what priorities should be considered for the future. This survey was conducted to obtain resident opinions on the future of Brady parks and trails. A total of 323 responses were collected.

Key Takeaways:

1. Residents consider parks and recreation to be vital to the identity and quality of life in Brady.
2. All ages or family friendly amenities or activities are priorities for the future. Splash pads or water features and new playground equipment are mentioned several times.
3. Maintenance and continued upkeep of existing facilities are important to residents.
